## Chattanooga Choo Choo

Pardon me, boy  
Is that the Chattanooga Choo Choo?  
Track twenty-nine  
Can you give me a shine?  
Can you afford to board the  
Chattanooga Choo Choo?  
I've got my fare  
And just a trifle to spare.

When you hear the whistle  
Blowin' eight to the bar!  
Then you know that  
Tennessee is not very far!  
Shovel all the coal in  
Gotta keep it rollin'  
Woo, woo, Chattanooga  
There you are! (x4)

## Breathalyze the Ref

Somebody breathalyze the ref (x2)  
We know he's not cheating  
He must have been drinking  
Somebody breathalyze the ref.

## Takin' a Dive

Well you can tell by the way  
I roll and scream  
I'm a floppin fool with no injuries  
Ah ah ah ah  
Takin a dive, takin a dive...  
Ah ah ah ah  
Takin a dive, takin a dive...

## Score a Goal

Come on 'Nooga score a goal  
It's really, really simple.  
Put the ball into the net  
And watch us all go mental.

## True Colors

I see your true colors

Shining through.

I see your true colors.

And that's why I love you.

So don't be afraid to let them show.

Your true colors.

Your true colors are beautiful.

## Good Ol' Boy

Just a good ol' boy

Never meanin' no harm.

Beats all you never saw.

Been in trouble with the law

Since the day he was born.

Makin' his way

The only way he knows how.

That's just a little bit more.

Than the law will allow.

## We Came to Drink, We Came to Sing

All the things you do to me
